Art- No: 620005 / 620006

### Product Features

The Music Speaker E20 is the ideal companion at many places. On trips, parties and at the office the handy and powerful miracle in nice retro design always creates a good impression. Connect this little miracle of sound via Bluetooth with your phone, tablet or notebook and you will always have this audio system by your side. The impressive stereo sound with powerful bass and clear heights will not only convince yourself. E20 also offers you the possibility to be used as a hands-free device.

The Music Speaker E20 is compatible with all devices that support Bluetooth. Via the integrated 3.5 mm jack, you can easily connect many other devices. You can control it via the audio source as well as directly on the E20 itself, where you can find buttons for answering phone calls, volume control, pause / play and skip/previous track.
