

Music Speaker E24

Professional Stereo Bluetooth Speaker

For Smartphones, Tablets and Notebooks

Well-balanced stereo sound with stunning bass

Integrated Battery

Serves as a hands-free device

Portable design in two colors available

Art- No: 620022 / 620023

Product Features

The Music Speaker E24 is the ideal companion at many places. On trips, parties and at the office the handy and powerful speaker in nice and portable design always creates a good impression. Connect this little miracle of sound via Bluetooth with your phone, tablet or notebook and you will always have a great audio system by your side. The impressive stereo sound with powerful bass and clear heights will not only convince yourself. E24 also offers you the possibility to be used as a hands-free device. The Music Speaker E24 is compatible with all devices that support Bluetooth. Via the integrated 3.5 mm jack, you can easily connect many other devices. Or use the integrated MP3 Player to playback music from micro SD cards. Two- ways- operation (from Speaker or smart phone), sensitive touch button and voice prompts makes the operation smoothly and convenience.

- Wireless Bluetooth stereo speaker
- Supports hands free or phone conferences
- For iPhone, iPad, Android, BlackBerry and most other Bluetooth devices
- Built-in 1000 mAh Li-Ion battery for up to 4 hours of music
- 3.5 mm jack audio input
- Embedded MP3 Player
- Playback control on device (call answering, volume, pause, play, skip/previous track)
- Simple and easy rechargeable via micro USB
- Strong metal case
